DETAILED ACTION

Information Disclosure Statement

1. The foreign reference JP 11-342054 on the IDS filed 18 May 2006 was not considered since the attorney had alerted the examiner that this reference was inadvertently placed on the form and should not be considered within the case.

In addition, the IDS filed 13 June 2006 is not considered since it is a duplicate of the IDS filed 18 May 2006.

Election/Restrictions

2. The amendment filed on 18 May 2006 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims (newly presented claims 19-39) are not readable on the elected invention because they are drawn to the non-elected Group II claim limitations (i.e. an ink cartridge comprising an ink container with a storage medium where information is readable and writeable into and from the storage medium).

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
